PUBLICATIONS

[2023]

Mělník wines D.O. label: self-identification and the perception of Cultural Heritage.

Historical evolution of wine production and the population's self-identification in the Mělník region of Bohemia, Czech Republic. In addition, assess the extent of regional identity, wine heritage, and ties to the wine industry presence in the region.

Charles University Prague

[2022]

The "Museu Do Homem Americano": a museum challenged by its nature

The very existence of the *Museu do Homem Americano* in Brazil challenges the prevailing theory on human settlement in the Americas.

Answers are generally provided at a material level on a specific item; in the case of this museum, it is the items that challenge this theory by intervening at an immaterial level.
